We need your help.

For the past 30-plus years, B'nai Brith Canada, has remembered those in the community who are less fortunate through our community volunteer program.

*On December 6, 2009,
B'nai Brith Canada
is once again, reaching out to
those in the Jewish Community.*

B'nai Brith Canada is looking for volunteers to help some less fortunate Jewish families celebrate Chanukah.

Drivers and volunteers are needed to help with B'nai Brith's Chanukah Basket Delivery Program.

Student volunteers can count the hours donated towards their community service requirement.

***You too can reach out and touch
another person's life on Chanukah***
